Plaintiff,

v.

SONOMA MARIN AREA RAIL TRANSIT
DISTRICT, a regional transit district

Defendant.

Case No. C 05 00210 JSW

**JOINT CASE MANAGEMENT
CONFERENCE STATEMENT**

Date: March 3, 2006
Time: 1:30 p.m.
Location: Courtroom 2, 17th Floor

Pursuant to Local Rule 16-14(d), the parties to the above-entitled action certify that they met and conferred prior to the subsequent case management conference scheduled in this case and jointly submit this Supplemental Joint Case Management Statement and request the Court to adopt it as a Supplemental Case Management Order in this case.

DESCRIPTION OF SUBSEQUENT CASE DEVELOPMENTS

1. The following progress or changes have occurred since the last case management statement filed by the parties:

The parties have reached agreement on the key substantive issues for settling their dispute. Both plaintiff Jerico Products, Inc. and interested party North Coast Railroad Authority (NCRA) have approved the provisions of a drafted settlement agreement. Though Sonoma Marin Area Rail Transit District (SMART) generally approves the substantive terms of the

1 settlement agreement, it has proposed some revisions to the written agreement. NCRA's board
2 will need to approve those provisions, as will Jerico's officers. Assuming there are no objections
3 to SMART's proposed revisions, SMART's board will also need to approve the revised
4 agreement. SMART's board does not meet until March 15, 2006. NCRA's board does not meet
5 until March 8, 2006.

6 The parties request an additional 60 days to execute the settlement agreement to allow
7 NCRA and SMART's boards the opportunity to review and approve the terms of the agreement,
8 and for the parties to submit a stipulation and proposed order requesting a stay of this lawsuit.

9 Respectfully submitted,
